Sample report

Sample with the demo child Sam. No real family data.

Strengths
- Movement: 9/10
- Social: 8/10
- Focus: 4/10

Five skill areas
- Concentration: 3/5
- Memory: 1/5
- Motor skills: 5/5
- Language: 2/5
- Emotions: 4/5

4-week plan

Week 1
1. Maths: Counting walk: count and compare things along the way (10 min)
2. Reading: Take-turns reading: you read a page, your child retells it (10 min)
3. Focus: Puzzle time: start a puzzle together and stay with it without breaks (15 min)

Week 2
1. Maths: Pattern making: continue patterns with buttons or pebbles (10 min)
2. Reading: Word hunt: find and read five words on signs or packaging (10 min)
3. Social: Board game with turn-taking: a game where everyone waits for their turn (20 min)

Week 3
1. Maths: Shopping maths: estimate and add prices while shopping (10 min)
2. Reading: Picture story: tell or write a short story about three pictures (10 min)
3. Movement: Endurance round: run or cycle outdoors at a self-chosen pace (20 min)

Week 4
1. Maths: Kitchen maths: halve or double a recipe (10 min)
2. Reading: Reading corner: read a self-chosen book alone, then share it briefly (10 min)
3. Focus: Own project: plan and finish a small craft project (15 min)
